we would like to introduce

## Smiles for Rowing Program

Any family that does not have dental insurance would qualify for this great program. If someone in your family needs braces from Dr. Justin you pay the normal fee to SRA instead of Dr. Justin. You get a great new smile and SRA receives a generous donation from you to pay off the debt on the boathouse. If you are interested please speak to someone in Dr. Justin's office or Anne Schwartzman at the SRA boathouse at 587-6697.
