Total Points		

- Rowers are ranked by their scores above in the “Individual Achievements” section. The total number of those nominated create the range. The rower accumulates a value 1-5 based on where they fall in the range. Top 20% get 5 points, next 20% get 4 points, etc.
- Each level of the “Rowing Achievements” is added together and then has a multiplier applied to it. Those points are added to the “Individual Achievement” points – giving them their total points.
- The erg score is the tie-breaker, if needed. The committee which will take the list of rowers (post-point total) will then put together the Awards. This committee will consist of Sports Writers from across the state. Stan Hudy will Chair this committee. The Coaches’ Award is chosen by them from nominations.
- The Awards dinner will be held on the Saturday of the NYS Champs. Site TBA. Cost is
- The top 10 vote-getters (excluding coxswains) will make the 1st Team. Top Coxswain gets the 1st team. Next 10 + Cox earn Second Team. Third 10 + Cox will earn the Honorable Mention.
- System is heavily weighted towards those that make the Junior National Team for obvious reasons. There is a specific Award given to the top 10 Scholar Athletes (including the #1). Averaging the average ranking between GPA and SAT's.
- Only 10th grade and up are eligible for the awards. Achievements are cumulative from 9th grade on.
